Saint Augustine's College Falcons

STATE OF NORTH CAROLINA
OFFICE OF THE GOVERNOR
20301 MAIL SERVICE CENTER • RALEIGH, NC 27699-0301

MICHAEL F. EASLEY
GOVERNOR

WELCOME

It is my privilege to extend greetings and a warm welcome as Saint Augustine's College re-establishes its football program. This exciting event will take place at Enloe High School in Raleigh, September 21, 2002.

As a member of the C.I.A.A., Saint Augustine's College has a rich and proud history in football. Unfortunately, the football program ended in 1967, but alumni, trustees, faculty and friends refused to let it remain dormant. As a result of their tireless efforts, Falcons Football is again alive and well.

There is nothing more exciting than a college football game. I am confident that when the St. Augustine's College Falcons take to the field against Bowie State University, the level of excitement will be off the charts -- and rightfully so!

Mrs. Easley joins me in extending greetings. We further send our best wishes for a successful inaugural season.

With kindest regards, I remain

Very truly yours,

Michael F. Easley

CHARLES MEEKER
MAYOR

City of Raleigh
North Carolina

Sept. 12, 2002

GO FALCONS!

On behalf of the 300,000 residents of Raleigh and the members of the Raleigh City Council, congratulations on reinstating the football program at St. Augustine's College. This is a landmark accomplishment in the long and proud history of the college.

We look forward to seeing the Falcons compete on the gridiron against their rivals from the CIAA for the first time in 37 years. Falcon football will provide our area's many sports fans with an additional venue for exciting athletic competition. I wish Coach Michael Costa and his team much success. Please enjoy the games -- and the celebrations and warm reunions that come with them.

Very truly yours,

Charles Meeker
Mayor

Mayor's Message

City Of Raleigh
North Carolina

JAMES WEST
COUNCILLOR DISTRICT C

Sept. 12, 2002

CONGRATULATIONS!

On behalf of the members of the Raleigh City Council and the 300,000 residents of Raleigh, congratulations on successfully reinstating the football program at St. Augustine's College. There is much anticipation and excitement throughout Raleigh about the university's first football team in 37 years.

The Falcons will provide our community with competitive and memorable football games this season and for years to come. Football, however, is more than just a sport. It's about school spirit, reunions with old friends and meeting new acquaintances. These gridiron moments will be cherished forever.

I wish Coach Michael Costa and his team much success this season. The return of the football program is an historic and proud moment for St. Augustine's College. GO FALCONS!

Very truly yours,

James West
Councillor, District C

TELEPHONE 919 305

100 SOUTH STREET • POST OFFICE BOX 100 • RALEIGH, NC 27602

9-1-02

Office of the President

Greetings students, faculty, staff, alumni and friends:

Welcome to the inaugural Falcon football season, where, for the first time since 1965 Saint Augustine's College has fielded a team in a Central Intercollegiate Athletic Association (CIAA) gridiron competition. By your attendance, you have become a part of this historic event, and we thank you for participating in this significant milestone for the College.

As the Mighty Falcons take flight this fall, we have it all -- tailgating, marching bands, pep squads and a host of dedicated Falcon fans that take to the road with the team. As we celebrate the rebirth of football, we realize it is much more than just a sport-football has brought a new vitality to campus.

This season we will face off with home games against Bowie State University, North Carolina Central University, Saint Paul's College, Shaw University and Livingstone College. We anticipate thousands of spectators at each of these home games. That will translate into grander reunions, increased school spirit, championship games, and the recollection of old memories and the creation of new ones.

By your attendance today, you are part of the renewal and this is just the beginning. I don't know about you, but I'm ready for some football!

With kindest regards,

A handwritten signature in cursive script, reading "Dianne Boardley Suber".

Dianne Boardley Suber, President

President's Welcome

Office of the Athletic Director

Welcome Fellow Falcons!

St. Aug has embarked on an athletic adventure beneficial to faculty, staff, alumni, students and our community. The rewards from the reinstatement of football at our college are countless. We have the opportunity to educate, train and mentor additional males via the football program.

Michael Costa, head football coach, is dedicated to developing disciplined students and athletes. He is building a firm foundation for our program with an undying love for mentoring, exemplary knowledge of the game and appreciation for the Saint Augustine's College family.

This is a year of celebration for athletics at Saint Augustine's College and a time of thanksgiving. Thank you for your continued support. See you on the 50-yard line!

George D. Williams

Home games are in bold.

Home games are played at Lenbauer Stadium, Enloe High School, Raleigh.

Did You Know?

• Saint Augustine's College Football began CIAA conference play in 1934.

• President James A. Boyer served as an Assistant Coach.

• George H. Mitchell was the first Head Football Coach.

• Russel Blount, age 93, is the oldest living Falcon coach.

• The team originally was called the Fighting Saints and then the Saint Augustine's College Horses. In 1948, the name of the team changed to the Saint Augustine's College Falcons.

• The highlight of the football season was the Saint Augustine's College vs. Shaw University game known as the Turkey Day Classic at Chavis Park played on Thanksgiving Day each November.

• Isaac "Big T" Lassiter was the first football

player from Saint Augustine's College to play in the NFL. He played Defensive End for the Oakland Raiders from 1965-1969.

• Offensive Tackle Herman Reid was a first-round draft pick of the Baltimore Colts in 1967.

• Citing finances, the college ended the program in 1965-1966 academic year.

• The last football team fielded 35 players.

• The last coaches were Jacob Bentley, Jesse Clements, and Earl Curry. The Falcons ended their season with a record of 6-1-1.

• In October 2001, President Dianne Boardley Suber announced the reinstitution of football at the college.

• August 31, 2002 marked the falcon's first football game in 37 years.

2002 Falcon Football Team

Campus Update

Over the past 2 ½ years, under the leadership of Dianne Boardley Suber, this administration began implementation of an ambitious five-year plan designed to increase enrollment; maintain academic excellence; expand academic opportunities for nontraditional students and attract and retain quality faculty.

We continue to institute programs and activities that enhance the overall quality of student life; develop and maintain strong relationships with the college's extended community; and ensure an unyielding standard of excellence in every endeavor the college undertakes.

The following is a brief recap of some of the current initiatives that the administration, faculty and staff of Saint Augustine's College have undertaken since FY2000 to continue the mission set forth by our founders:

- Funding of sponsored program and research grants has increased dramatically. More than \$8 million in grants and awards from organizations such as the National Science Foundation and National Institutes of Health and the U.S. Department of Health and Human Services have helped to strengthen the college's academic offerings, support science and technology programs; promote research in the biomedical and behavioral sciences, and increase partnerships within the greater community.
- Computer labs have been installed and/or updated in the Library, the Boyer Education Building, the Cheshire building, and the Student Development Center Laboratory.
- The Library has been expanded and updated, and more than \$130,000 has been invested in the purchase of new volumes.
- Extensive renovations to many of the buildings, residence halls and grounds have enhanced the campus.
- Major campus upgrades to enhance student life include new furnishings in the residence halls, the complete renovation of Emery Gymnasium, and an upgrade of the Martin Luther King, Jr. Student Union. Also, a Student Living & Learning Center funded by a \$2.5 million National Science Foundation grant provides for the designation of a floor in one of the women's and one of the men's residence halls for science, computer science, and math majors. Students living on these designated floors have access to tutorial services and computers located in their residence hall and a laboratory in the science building.
- The kickoff of our 135th Founders Celebration resulted in a record-breaking \$130,000, and a pledge from Dr. Maya Angelou to "adopt" Saint Augustine's College and bring her considerable talents to bear to advance the college's mission and goals.
- Alumni, corporate and foundation giving is on the rise as major donors recognize the College's potential. Among the major contributions received are a \$750,000 gift from the Belk Foundation to build out the institution's track and field complex and a \$500,000 gift from Wachovia Foundation for scholarships and capital improvements.
- The college, together with Drucker & Falk's Senior Living Division and Winston-Salem based Diversified Senior Services has entered preliminary negotiations to establish a Senior Retirement Village on the Saint Augustine's College campus and is seeking HUD funds to support the effort. The planned first phase of the development will incorporate 140 units of independent living apartments and 60 units of assisted living. The proposed \$15 million project will be situated on about 8 acres in the northwest corner of Saint Augustine's College's 105 acre campus.

George "Pup" Williams

Recently selected as the U.S. Olympic Men's Head Track Coach for the 2004 Summer Games in Athens, Coach Williams is well known for building a track and field dynasty at Saint Augustine's College.

As Head Track and Field Coach for both men and women at the College, Williams's teams have brought 24 NCAA Track and Field Championships to the College and produced several world-class athletes. Three of his athletes won gold medals at the 2000 Olympic games in Sydney, Australia: Kenny Brokenburr ('93) in the 4x100 meter relay and Antonio Pettigrew ('93) and Jerome Young ('00) in the 4x100 meter relay. Other Saint Augustine's College athletes coached by Williams who competed in the 2000 Olympics were: Gabriel Burnett ('00) who represented Barbados in the men's 110-meter high hurdles; Karlene Haughton ('96) who represented Canada in the 4x400-meter relay; Florencia Hunt ('00) who represented Netherlands Antilles in the women's 800 meters; and Tanya Oxley ('02) represented Barbados in the women's 400 meters and 4x400-meter relay.

Williams continues to coach several of today's top professional runners, including 400-meter competitors Michele Collins who finished second at the 2002 U.S. Championships and LaTasha Colander-Richardson, a 2000 gold medalist in the 1,600-meter relay.

Williams's influence as teacher-mentor extended to the coaching ranks of the 2000 Olympic Summer Games. Two of his former students served as coaches for several Olympic athletes. Alumni Trevor Graham ('89) of the Durham Striders and John Burks ('90) of Sprint Capitol served as coaches for athletes such as Marion Jones, Tim Montgomery, Kenny Brokenburr, Antonio Pettigrew, and Jerome Young. Coach Williams other international experiences include serving as head coach of men's track and field at the 1999 World Championships in Seville, Spain and assistant coach men's track and field at the 1996 Olympic Summer Games in Atlanta, Georgia.

Coach Williams can boast of the successes of his athletes off the track as well. Not only has Saint Augustine's College produced numerous world-class athletes, but the College maintains a 95% graduation rate among scholarship athletes coached by Williams.

Williams is the recipient of more than 90 National Coach of the Year honors. In February, 2002, he was inducted into the Central Intercollegiate Athletic Association Hall of Fame. A faithful Falcon, Williams ('65) has served his alma mater in a variety of positions since 1968, including director of alumni affairs, admissions counselor, director of student activities, and head basketball coach. Since 1976, Williams has been the indoor and outdoor track and field coach for men and women at the college. He became the College's Athletic Director in 1996.

Coach Williams is married to the former Olivia Hardy, and they have one daughter Crystal.

Michael E. Costa

Coach Michael Costa comes to Saint Augustine's College with an outstanding record in recruiting, training and motivating student athletes. He is committed to high quality education and to the professional growth and development of students. Costa brings to the College extensive experience as a college and high school football coach and teacher.

This is Costa's second opportunity as a head football coach on the college level. He previously served as head football coach at Cheyney University of Pennsylvania. Costa's coaching career began at Wilmington High School in Wilmington, Delaware, where he served as an assistant coach for both football and basketball, and as the head track coach.

Prior to taking on the challenge of putting a football program in place at Saint Augustine's, Costa served as Defensive Coordinator/Recruiting/Secondary Coach, and as an Instructor of Physical Education at Elizabeth City State University. His other collegiate coaching experiences include serving as defensive coordinator and secondary coach at Hampton University and defensive coordinator at Virginia Union. Costa served as a defensive coordinator at Miami Central High School in Florida.

Costa has participated in two NFL Minority Fellowship Programs, with the New York Jets and the Washington Redskins. In both programs, he worked with the linebackers.

"Putting the teams back on the field is going to be good for the city of Raleigh. College football isn't usually described as a municipal tonic, but in this case it will be. Raleigh will be a better sports town and its community life will be richer because these schools are banging helmets again."

Birthplace

Queens, New York

Coaching Experience:

(1972-83) Wilmington High School

(1983-90) Cheyney University of Pennsylvania

(1990-92) Virginia Union University

(1992-96) Hampton University

(1997-98) Miami Central High School

(1998-01) Elizabeth City State University

(2002-) Saint Augustine's College

Assistant Coaches

Mister Askew

*Strength/Conditioning Coordinator
& Running Backs*

Coach Askew served as a student assistant coach at Elizabeth City State University during the 2000-2001 season. He has experience working in professional football for the arena football team the Carolina Rhinos in 2000.

Coach Askew attended Alabama A&M before transferring to Elizabeth City State University where he received a degree in Business Administration and lettered in football.

A native of Lincoln Heights in Cincinnati, Ohio, he attended Forest Park/Winton Woods High School and lettered four years in football and track.

Jamie Holland

*Special Teams Coordinator/
Wide Receivers*

Selected in the seventh round of the 1987 NFL draft by the San Diego Chargers (1987-89), Coach Holland carved out a seven-year professional football career. Acquired by the Los Angeles Raiders (1990-91), Holland played in the 1991 AFC Championship and then signed with the Cleveland Browns (1992). Holland completed his pro career in the Canadian Football League playing for the Saskatchewan Roughriders (1995) and the Winnipeg Bluebombers (1994-95).

Coach Holland received a Bachelor of Science degree in Recreation Education from The Ohio State University and an Associate in Education degree from Butler County Community College in Kansas. A Raleigh native, he was an All-State Running Back at Wake Forest-Rolesville High School in Wake Forest.

William Frizzelle

Linebackers

With 10 years of NFL experience under his belt, Coach Frizzelle is a specialist on defense. He has played defensive back for the Detroit Lions (1984-85), Philadelphia Eagles (1986-90, 1993-94), and the Tampa Bay Buccaneers (1991-92).

At the completion of his pro football career, Coach Frizzelle became an entrepreneur and opened his own plumbing business. He has served as a consultant for the Durham Storm, a semi-pro football team, and hosted the Michael Jordan Golf Celebrity Classic. Coach Frizzelle assists at numerous football camps and coaches basketball and soccer at the Raleigh YMCA.

He is a graduate of North Carolina Central University, where he received a Bachelor of Science degree in Political Science.

Matthew Montgomery

*Offensive Coordinator/
Quarterbacks*

Coach Montgomery brings the Falcons a combination of coaching and counseling experience. He recently served as

assistant football coach at T.L. Hanna High School and as an elementary school teacher in Anderson, South Carolina. Montgomery was an assistant football coach at Morris Brown College and a student assistant coach at Hampton University.

Coach Montgomery graduated from Hampton University with a Bachelor of Science degree in Physical Education and from Clark Atlanta University with a Master of Arts degree in Counseling.

Lamont Robinson

Defensive Line

With military, teaching, coaching, and semi-pro football experience, Coach Robinson brings a balanced mix of talent to the coaching staff.

He served in the United States Navy following high school graduation.

Afterwards, he attended Prince George's Community College and then transferred to Salisbury State University, both in Maryland. While at SSU, he was a four-year letterman with the Seagulls football team, playing first as a wide receiver and two years as a defensive end.

Coach Robinson, who holds a B.A. in Education, taught high school and served as head junior varsity football coach and an assistant varsity football coach at Amelia County High School in Virginia. Coach Robinson played for the Mason-Dixon semi-pro football team the) Richmond Ravens. In addition to serving as a coach for the Falcons, Robinson teaches at SPARC Academy in Raleigh.

Coach Larry Vaughn

Offensive Line

Coach Vaughn served as an assistant coach for the 2001 Virginia High School Football League Champions at Phoebus High School. He also assisted in coaching the junior varsity team to an undefeated season.

A Hampton University graduate, Coach Vaughn received a Bachelor of Science degree in sociology. While at Hampton, Coach Vaughn was an offensive lineman and guard whose numerous awards included Best Lineman and MEAC Lineman of the Week. A native of Hampton, Virginia, Vaughn attended Phoebus High School where he participated in football, track, and wrestling.

Coach Andre Waters

Defensive Coordinator/Secondary Coach

A 14-year veteran of the NFL, Coach Waters played defensive back for the Philadelphia Eagles (1984-94) and the Arizona Cardinals (1994-96). After ending a successful NFL career, Waters served as a secondary coach for Morgan State University and the University of South Florida respectively. He joined Wharton High School in Tampa, Florida as an assistant coach/defensive coordinator before accepting the position of assistant coach at Alabama State University.

Coach Waters received an undergraduate degree in Business Administration from Cheyney University of Pennsylvania.

A native of Pahokee, Florida, he was recently elected to the Palm Beach County Hall of Fame. For many years, Coach Waters lectured on the importance of education and has participated in the national and local "Say No to Drugs" campaign.

In the Beginning: Football at Saint Augustine's College

The following information was gathered from a transcription of an audiotaped interview, *History of Saint Augustine's College Athletics* by Dr. James A. Boyer and from information provided from the Falcon Foundation. The interview was conducted by Harvey D. Heartley, Sr., former basketball coach and Athletic Director and Linda Simmons-Henry, then Associate Director of the Prezell Robinson Library. This interview of President Emeritus James Boyer took place in his home July 25, 1997. Dr. Boyer's remarks are italicized.

The first recorded Saint Augustine's College football game was played against a Chapel Hill club team on Thanksgiving Day 1899. The contest ended in a 5-5 tie. Dean Charles H. Boyer was coach, player and reporter for the game.

The intercollegiate football program at Saint Augustine's College dates back to 1904, initiated by Professor Charles H. Boyer, a Yale University graduate who joined the faculty in 1896. Boyer, who was proficient in a number of sports, found a void at Saint Augustine's College when he realized there were no intramural or intercollegiate athletics. As a great lover of sports, he initiated the first athletic program for the College.

He brought to the college the Yale University colors of blue and white. The athletic teams were initially called the Fighting Saints. According to Dr. James Boyer, who served as president of Saint Augustine's College from 1954-1967 and is now deceased, football was the first sport organized by the young coach. *"In the first years of football we played Shaw University, Johnson C. Smith (then Biddle University), and Bennett College, which no longer has a football team," he said. "We also played Livingstone College, Virginia Union and several schools of that nature."*

Saint Augustine's College was state champion in football from 1926-1928. During this time the team's name changed to the Horses and eventually, in 1948, the Horses became known as the Saint Augustine's College Falcons.

Early pioneer coaches included Lester Granger, who came from Dartmouth College, and who later became Assistant Secretary of the Navy during World War II, and Lt. Lawrence A.

Oxley from Harvard, who coached both football and baseball. George Mitchell, an All-American graduate from Shaw University, coached track, football and baseball. Mitchell was the first to have an athlete appear in the Penn State Relays.

The athletic program, run on a shoestring budget, was primarily funded by the National Protestant Episcopal Church of the United States. According to Boyer, there were few federal funds at that time. *"During the early years there were hardly any government funds for things of that sort," he said. "That came after World War II."*

Among the most notable Saint Augustine's College football players was Isaac "Big T" Lassiter '63. *According to Boyer, Lassiter was the first "St. Aug" athlete to make a professional football team.* Another "St. Aug." great was Roland Miles, who played professionally for the Canadian Football League.

Citing budget constraints, the college ended the football program in 1967. In 2001, after more than three decades without a football team, President Dianne Boardley Suber, under the direction of the Board of Trustees, reinstated the football program at the college. By December 2001, Michael Costa was hired as head football coach.

The college has united with community friend Enloe High School and will play all home games at their stadium. With the addition of six assistant coaches and offices located in Lynch Hall, the revitalized Falcon football program stands ready to embark on the first of many fabulous seasons to come.

Head Football Coaches

George Mitchell	1934-1936
Allen Weatherford	1937-1941
Russell Blount	1946-1947
Roy "D.D." Moore	1948-1954
George R. Walker	1955-1960
George L. Quiett	1961-1962
Jesse Clements	1963-1965

Falcon Football Traditions

*provided by Dr.
Frank Godfrey,
Chair of the Division
of Business and
former player for Saint
Augustine's College*

St. Augustine's Football Team—1926

- On the way to a game, the players would sing "The Lord's Prayer."
- After every win, the players would congregate by the chapel and ring the bell to announce the victory. Everyone would sing the victory song, "Oh Ring Dem Bells."
- Most players had to play both offense and defense.

Traditions/Records

Who's the Bird?

Name: Freddie the Falcon

Birthplace: The Falcon was born in a tree on the quad.

Height: 5'11" without the head, 6'6" with the head

Weight: Light as a feather

Skills: Dancing, motivating, getting the crowd pumped up at all "St. Aug" events.

Little Known Fact: Loves to join cheerleaders "Shake It, Shake It, Shake Deez"

World Premiere: 1980 at the CIAA Tournament in Norfolk, Virginia.

Works: Visiting charity events, schools and hospitals. Also rocking throughout the CIAA Tournament.

Favorite songs: "I Believe I Can Fly" by R. Kelly, and "The Bird" by Morris Day & The Time.

Favorite Movies: "Bird on a Wire", The Maltese Falcon and "The Birds"

Favorite Celebs: Dianne Boardley Suber, and the Atlanta Falcons "Dirty Bird" (They're cousins on his daddy's side).

Favorite Channels: WAUG-TV-68/Cable 20, Discovery Channel, Animal Planet, and ESPN

Favorite Teams: Saint Augustine's College Falcons and Atlanta Falcons

Birth of the Falcon

Saint Augustine's College never had a mascot to perform at games until alumnus Mike Phillips '83 first took on the job in 1980. The administration gave him funds to cover the cost of a costume. Using his creativity, Phillips created his own outfit which included a blue cape, blue tights and sneakers.

At his 1980 CIAA Tournament game debut in Norfolk, Virginia as described by another alumnus -- Phillips came running down the bleachers, flapping his arms as if he was actually flying.

"One thing I think people most remember about me is my slam dunk without using any apparatus. When you are in costume, that's pretty hard," said Phillips. "Overall, I liked getting the crowd hyped and into the game. Once you're into the game, you become the school and that's what creates school spirit. Being a mascot is something that I will always remember as one of my best experiences at "Saint Augustine's."

For 14 years, Phillips has owned *Men At Work Car Detailing* in Raleigh, North Carolina.

Introducing the "Blue Chips"

Cheerleaders

2002 Saint Augustine's College Cheerleaders Row 1-(Left to right) Candice Euince and Takeya Singleton; Row 2-(Left to right) Eve Craig, Crystal Price and Sakinah Shakoor; Row 3-(Left to right) Kacie Fletcher, Felicia Harris, Monique Lipsey, Valena Batchelor.

HISTORY

Saint Augustine's College is a private, urban, coeducational, undergraduate liberal arts institution. The College is affiliated with the Protestant Episcopal Church and was founded in 1867 in Raleigh, North Carolina by the church's Freedmen's Commission. Originally founded as the Saint Augustine's Normal School, the College's mission is to promote an educational environment conducive to life-long learning across the broad spectrum of liberal arts and to prepare students for employment and graduate and professional studies in a complex, diverse and rapidly changing world.

ACCREDITATION

Saint Augustine's College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; Telephone number 404-679-4501) to award Bachelor of Arts and Bachelor of Science degrees.

OVERVIEW

With a student/faculty ratio of 13:1, Saint Augustine's provides an intimate educational setting where faculty members know students by name. The college enrolls more than 1300 students, with close to half coming from North Carolina, and the remainder of students coming from 37 states, the District of Columbia, the U.S. Virgin Islands, Jamaica and 30 foreign countries. Its faculty consists of nearly 100 dedicated men and women, all skilled teachers and scholars.

ATHLETICS

Home of the 2004 U.S. Olympic Men's Track and Field Coach, seven Olympians, three of whom hold Gold Medals in track and field from the 2000 Summer Olympics, Saint Augustine's College continues to be a pace-setter as it re-institutes football to its list of competitive intercollegiate activities. The college also offers NCAA Division II baseball, basketball, bowling, cross-country, golf, softball, tennis, track and field, and volleyball.

SPECIAL PROGRAMS

Saint Augustine's College is the nation's first historically black college to have its own on-campus commercial radio and television stations: WAUG-AM750 and WAUG-TV68, Cable Channel 20, and is the only school in the Raleigh/Durham area to offer a degree in film production. The College also offers the Cisco Certification Program in its Business Division and the Traditional, Transitional Accelerated Approach to Learning Program (TTAAL) which offers a four, five or six-year track to earn a undergraduate degree. Continuing education programs are also offered through the College's Gateway Program.

LOCATION

Located in the state's capital, Raleigh, North Carolina, Saint Augustine's College boasts a beautiful 105-acre campus. The campus' 37 historic and contemporary buildings are just minutes from downtown Raleigh's, commercial, educational, governmental, and entertainment centers. Located just three hours from the mountains and two hours from the coast, Raleigh has something for everyone. Its rich history and cultural sophistication are evident through an array of museums, art galleries, professional sports and entertainment facilities.

A comfortable climate, a great location and a variety of resources, Raleigh is among the best places to live in the nation.

Admissions Requirements

Application for admission must be completed on a form furnished by the Office of Admissions. Prospective students may be admitted to the college by August 1. All qualified applicants receive consideration for admission to Saint Augustine's College without regard to race, creed, color, sex or national origin.

To make an admission decision, the Office of Admissions must receive the following materials:

- All transcripts must be sent to the Office of Admissions directly from your high school or college through the mail by the appropriate officials, and must reflect evidence of the applicant's academic eligibility. Prospective students must be high school graduates whose grades indicate probable success in college.
- Satisfactory evidence that specific high school units have been completed in a secondary school approved by a recognized accrediting agency: Students who have successfully completed the General Education Development Test (GED) may be considered for admission by satisfying the following criteria:
- Endorsement by reliable persons as to the applicant's character and personality
- A statement of honorable withdrawal from the college last attended
- Current Health and Immunization Certifications
- Scores from the Scholastic Aptitude Test (SAT) or the American College Test (ACT). Scores are required for all first-time college freshmen. Students who have taken either examination must provide the Admissions Office a copy of the scores as a part of their required admissions materials. Students who have not taken either test prior to enrolling will be provided the opportunity to do so during the week of freshman orientation. Students must cover the cost of taking the examination.

International Students

A prospective international student is required to submit the following materials before an admissions decision can be reached on his/her application:

- An application form furnished by the Director of Admissions
- Transcripts of work completed on the secondary level and on the college level, if applicable. The transcript must be the original copy or a certified photostatic copy
- Proof of proficiency in English (TOEFL)
- A statement of the applicant's financial resources showing that he/she can meet U. S. study costs.

Payment of total expenses for the first year is required before the I-20 can be released. This must be accomplished prior to enrollment

- A report listing scores made on the SAT or ACT
- Current Health and Immunization Certificates.

A foreign student attending another U. S. institution will not be considered for admission on a transfer basis until he/she has completed at least one semester (preferably one year) of study at the institution which issued the I-20 form and he/she has completed all transfer requirements as listed in six bulleted items above.

Transfer Students

A transfer student will have his/her academic status

evaluated based on the number of accepted credit hours that are transferred from the institution(s) he/she previously attended.

A student transferring from another college must submit to the Office of Admissions official transcripts verifying completion of high school or the G.E.D. and college credits. If the student has attended more than one college or university, official transcripts from each institution previously attended must be received before an admission decision can be made on the application. All

supporting credentials must be received at least 30 days before the beginning of the semester in which the applicant desires to enroll.

The Office of Admissions makes the initial evaluation of courses taken at other institutions. All courses with grades "C" or better will be transferred to the College and grades of less than "C" are not given consideration. Additionally, credit hours but not quality points are transferable. Coursework taken at another institution will be evaluated by the head of the department to determine if the work is applicable toward fulfillment of graduation requirements in the student's major. A recommendation will be submitted to the Vice President of Academic Affairs and the Registrar for approval.

To complete his/her academic program, a transfer student is expected to conform to the academic requirements of Saint Augustine's College that are current at the time of his/her enrollment at the College. The general requirements listed in the catalog must be met and the final 30 semester credit hours must be earned at Saint Augustine's College or in residence (CRC). **All application materials should be sent to:**

**Office of Admissions
Saint Augustine's College
1315 Oakwood Ave.
Raleigh, NC 27610**

A \$25.00 non-refundable administrative fee must accompany every application for admission.

Application Deadlines

**Fall Enrollment
July 1**

**Spring Enrollment
December 1**

Applications after these dates will be considered on a space available basis.

Alma Mater THE BLUE AND WHITE

**Words and Music by
William Augustine Perry, Class of 1902**

The dark hue of the violet
The snow white lily's bloom
Are emblems of the virtues rare
That seal all failure's doom;
That give us courage ever
To dare to do the right;
For Alma Mater dear they stand
All hail the Blue and White

All thru the days we spend at school
Midst scenes we hold so dear
Where friendships made are ne'er forgot
Where always there's good cheer;
While for enchanting knowledge
Or charming laurels bright
We strive our best, we ne'er forget
'Tis for the Blue and White.

Where'er relentless duty calls
O'er life's tempestuous seas
We'll go, and loyally we'll bide
What weal or woe decrees;
Yes, loyal to the colors
That Stand for "Right is Might"
Our country's flag, the Stars and stripes
And ours the Blue and White.

O sing a song of love and praise
From loyal hearts and pure
For her our Alma Mater dear
And for her ideals true
For a hundred years she's triumphed
As upward in her flight
She's climbed to a beacon light
Her banner Blue and White.
